

The Proposed '**Odissi Museum**' in GKCM Odissi Reserach Centre will start very soon. This will speak all about Odissi dance and odissi Music i.e. the history, instruments, books, costume, jewellery old letters etc. So the collection for the same has already started. We request the Art lovers and others who possess the things of great Gurus, Great dancers, and other Odissi related things can donate to GKCM ORC for proper display of the most valuable things and which will be duly acknowledged and will definitely be a matter of pride.

Hope for a good response.
